

Firearms Safety Rules

- Treat every firearm as if it were loaded.
- Always keep firearms pointed in a safe direction (Muzzle Discipline)
- Finger off the trigger until you are ready to fire.
- Always store firearms in a secure location.
- Know how your weapon operates.
- Keep safety on at all times until you are ready to fire.
- Do not consume alcohol and drugs when you are training.
- Make sure that your weapon and your ammunition are compatible.
- Wear the proper eye and ear protection.
- Unload your firearm when it is not in use.
- Be sure of your target before pulling the trigger.
- Be sure of your backstop.
- Avoid horseplay.
- Do not alter or modify your firearm.

Make It Safe

1. Mag out, Mag away
2. Work the action
3. Slide to the rear
4. Visual and physical inspection of the chamber and mag well
5. Slide forward and holster

Don't forget - In a safe direction with finger off of the trigger
